For immediate release

Hong Kong's First Mini Sedan Chair Obstacle Game Introduced for Families on 29 October

Parents and children join hands to enjoy great fun and raise fund at the Sedan Chair Race

Who says the Sedan Chair Race is for adults only? This year, Sedan Chair Charities Fund (SCCF) introduced a new family-friendly game, the Mini Sedan Chair Obstacle Run specially designed for families, at the annual Sedan Chair Race scheduled on 29 October 2017 (Sunday) at the Matilda International Hospital, the Peak. Proceeds of the event will go to local small charities which run education, health or social welfare community programmes.

It's another year of dazzling costumes and creative chair decorations but what makes this year special is the debut of the Hong Kong's *Mini Sedan Chair Obstacle Run*, which is an excellent opportunity for parents and children to enjoy unique sedan chair experience.

Each team should comprise 2-4 family members or friends with at least one member aged 5-12 and a team leader aged 18 or above, and there is no limitation on gender. Each family team needs to carry a doll which sits on the mini sedan chair and complete 4 obstacle courses set on the hospital grounds.

Interested family and friends can simply enroll on-site for the game with a registration fee of \$40. Every team can be a winner and get a chance to win a prize if they can complete the obstacle challenge together within the required time. Come and join us from 10am to 1:30pm at the Sedan Chair Race and Bazaar.

DIY T-shirt corner

Apart from the obstacle run which is perfect for family bonding, this year's event also features a Do-It-Yourself T-shirt corner, in which children and families could design their own T-shirts with their names and other handwriting ideas. There are many more interactive game booths and photo corners for families and adults to explore on the day.

But what's a party without good music and food? Be ready to get amazed by the wide array of snacks, icy treats, and drinks at the charity bazaar, and enjoy a variety of performances, such as live band, street dancing and African drumming.

Raising money in a fun event is an awesome way to spend a Sunday morning. All race teams, spectators, friends and families are welcome to enjoy the exciting race and visit the bazaar. Shuttle

bus will run straight to the event venue from Central between 6:40am and 2pm.

~ End ~

About Sedan Chair Charities Fund

Sedan Chair Charities Fund (SCCF) was established in 1975. It is a registered non-profit organisation with a mission to help local charities that receive limited support from the Government. Each year, the Sedan Chair Race is held at the Matilda International Hospital located at the Peak, attracting athletes, amateur runners and corporate staff from various nationalities to join the race. Since its inception, around \$70 million has been donated to 138 Hong Kong charitable associations and organisations. For details, please visit our website, www.sedanchairace.org.
